Adults Only Pet Finder

- **Description:** Users can specify what they are looking for in a pet and receive a pet suggestion.
- **Responsibilities:** Front and back-end developer responsible for crafting fun and responsive UX using Animate.css and ScrollReveal. Also helped build our backend, using localStorage and API calls.
- **Tools/Languages Used:** HTML, Javascript, CSS, Materialize, jQuery, Animate.css, ScrollReveal.js, randomized picture APIs
- **GitHub:** github.com/a-thread/adults-pet-finder
- **Deployed Project:** a-thread.github.io/adults-pet-finder/

weatherDash

- **Description:** Displays current weather data as well as a five day forecast for a chosen city via zip code.
- **Tools/Languages Used:** Javascript, HTML, CSS, Materialize, jQuery, Moment.js, Canva
- **GitHub:** github.com/a-thread/Weather-API-Aiden
- **Deployed Project:** a-thread.github.io/Weather-API-Aiden

EXPERIENCE

Communications Director

Maine Transgender Network | Portland, ME | 2019 – present

Primarily responsible for creating and maintaining websites as well as creating and maintaining a yearly communications calendar including social media and email marketing.

Key Accomplishments:

- Developed new logos to showcase our new online focused programming
- Increased online traffic by 40% by building a new website with better organization and updated branded imagery
- Increased programmatic engagement through weekly correspondence with easy to access links to group meetings

Communications Associate

Center for Grieving Children | Portland, ME | 2018 – 2019

Primarily responsible for maintaining the website and creating original content for online and print marketing materials with the purpose of connecting to new donors.

Key Accomplishments:

- Connected with hundreds of new donors via Facebook to raise an additional \$2,000 every month towards our general fund
- Updated print materials to better represent new InterCultural Programming

EDUCATION

Bootcamp Certificate: University of New Hampshire, Portsmouth, NH 2020

A 26-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Emerging Leaders Program: Maine Association of Nonprofits, Portland, ME 2019

Bachelors of Studio Art: University of Southern Maine, Gorham, ME 2017

Dean's List 2015 - 2017

Peregrine Fellowship 2017
